

DELHI PUBLIC SCHOOL
GREATER FARIDABAD

VOLTRIX 2K25

10TH EDITION

CYBER CREW

NOVEMBER 13, 2025

FROM PRINCIPAL'S DESK

The Principal

Dear Sir/Madam,

We are thrilled to announce that **CyberCrew, the IT Club of Delhi Public School, Greater Faridabad**, is all set to host its annual celebration of innovation — “**VOLTRIX 2K25**” on **November 13, 2025**. This dynamic festival brings together a range of technology-driven competitions curated for students from Classes I to XII offering them a platform to showcase their talent, creativity, and futuristic thinking. Through this event, we aspire to ignite curiosity, encourage collaboration, and inspire meaningful interaction among young tech enthusiasts from various esteemed institutions.

This event is in sync with the national mission of **Viksit Bharat @2047** and transformative initiatives like **Digital India, AI for All, and Skill India**, this festival aspires to nurture digitally empowered learners and build future-ready innovators.

Join us in celebrating the spirit of technology, innovation, and nation-building. Together, let's take a step toward realizing the vision of a Viksit Bharat — an India empowered by knowledge, creativity, and digital excellence.

We look forward to your enthusiastic participation in making this endeavor a grand success!

Regards

Dr. Bindu Sharma

Principal

EXAMINATION CONTROLLER

In a world powered by ideas and driven by data, technology is the heartbeat of progress. Let your efforts reflect your potential. While you explore digital tools, be responsible, ethical, and safe—as technology is powerful, but integrity is priceless.

Good luck!

"Exploring the world of tech, united in purpose and progress."

As we stand on the brink of a technological revolution we expect a lot of advancements to happen in future. Join us in this amazing tech show where imagination meets innovation and witness the ideas that can shape the world of tomorrow.

Eligibility: Class I-II

Participation: Individual

Theme: Technology for Future

Guidelines:

- Participants will showcase the usefulness of a technology or gadget through a live enactment.
- Submission will be in the form of a video not more than 2 minutes.
- Props can be used to enhance the presentation.

Criteria for judgment:

Relevance to the theme, usage of props/costume, innovative idea and overall presentation.

TECH FUTURE

STUDENT COORDINATOR:

Ivanna Pruthi, Sharonya Palit(8510006293),
Nirlipta Nayak (7875067808)

TEACHER COORDINATOR:

Ms Srishti Ahuja (8800246026)

**"Every line of code is a step on the quest—
solve, build, and conquer the digital world."**

Trapped inside a locked room filled with hidden clues and secret puzzles, players must rely on logic and keen observation to uncover the key to freedom. Here comes a thrilling challenge for skilled game wizards to showcase their creativity and problem-solving mettle!

Eligibility: Class III-IV

Participation: Team of two

Theme : Mystery Room Escape

Software : Scratch 3.0

Guidelines:

- You can use default characters /backgrounds or import from external sources.
- The video of gameplay not exceeding 2 minutes along with the source file (.sb3) and a game play video (.mp4) is mandatory.

Criteria for judgment:

Relevance to the theme, originality of thoughts, replay value and overall creativity.

STUDENT COORDINATOR:

Arnav Goyal (9643689363), Aadit Singla (98715 88377)

TEACHER COORDINATOR:

Ms Harpreet Kaur (9211905269)

CODES FOR

“Digital doodles turn random thoughts into visual magic”

In this era of rapid technology, art has found a new brush - the digital one. Let your imagination take flight and create stunning digital posters that envision a greener, smarter world from eco-friendly cities to electric vehicles and beyond!

Category: Classes IV-VIII

Participation: Individual

Theme : Green Technology - Sustainable Tech

Software: Open

Guidelines:

- Design a poster on any software of choice.
- Participants must upload the output file only in .jpeg / .png/ .pdf format.

Criteria for judgment:

Design, originality of idea, relevance to theme and overall visual appeal.

DIGITAL ARTS

STUDENT COORDINATOR:

Nimish K Juneza (9811343207), Samar Bhatia (9599545365)

TEACHER COORDINATOR:

Ms Megha Mahna (9999420550)

“Creativity is intelligence having fun — especially with layers”

Use the magic of Photoshop to bring your boldest ideas to life. Let your digital brush craft visuals that inspire, provoke, and redefine reality.

Category : Senior(IX-XII)

Participation : Individual

Theme : To be shared via Email/Discord Server

Software : Adobe Photoshop CC/CS

Guidelines:

- Preliminary round is an elimination round and requires online submission of one of your best edits.
- Final round will be conducted via Discord VCS. Sample pictures/assets will be provided for the final round. Use of any external material will lead to disqualification.
- Submit the output in .jpeg /.png along with .psd.

Criteria for judgment:

Design, originality of idea, relevance to theme and overall visual appeal.

**DIGITAL
ARTS**

STUDENT COORDINATOR:

Nimisha Bourah (9625911373), Jaanya Gupta (076066926)

TEACHER COORDINATOR:

Ms Megha Mahna (9999420550)

"In photography, there is a reality so subtle that it becomes more real than reality."

Through photography, fleeting moments are immortalized, each frame tells its own story.

Eligibility:

Junior Category: Classes VI-VIII (Phone Photography)

Senior Category: Classes IX-XII (DSLR Camera)

Participation: Individual

Guidelines:

- Juniors must submit photos taken on smartphones; Seniors must use DSLR cameras with a minimum of 300 DPI. Photo editing is allowed.
- Submit four photos (one per theme) in JPEG or PNG format.
- Each photo should include a 50-word description.

Originality of idea, relevance to theme, overall visual appearance and replay value.

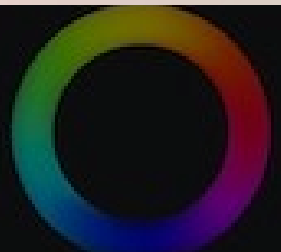

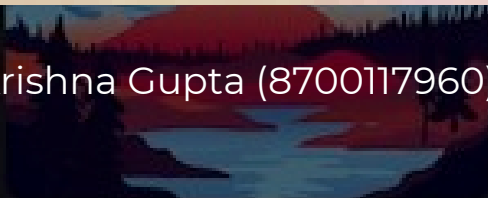

FINAL
TAKE

STUDENT COORDINATOR:

Harij Bhatia (9711454008), Krishna Gupta (8700117960),
Agrim Sharma

TEACHER COORDINATOR:

Ms Reshu Ganjoo (7838822258)

"Empowering humans through intelligent machines."

Step into the future of innovation with Robomation! An exciting event where creativity meets technology — design, program, and automate robots to perform real-world tasks or fun challenges.

Eligibility :

Junior Category : Class VI-VIII

Senior Category : Class IX- XII

Participation:- Team of two or three

Theme :

Junior Category : Smart city solutions

Senior Category : AI for sustainability
sustainability/Healthcare/Transportation

Materials and Resources: Open (Any hardware or software tool)

Guidelines:

- Identify a real-world problem your robot can solve related to the given theme.
- Submit the solution in the form of video (.mp4) demonstrating the research idea explaining its features and functionality. Video must not exceed 3 minutes.

Criteria for judgement:

Concept, creativity, originality, explanation, and imagination.

ROBOMATION

STUDENT COORDINATOR:

Mridul Mangla(9212129906), Gokarn Suri (9220559978),
Riddhima Sharma(7042120605), Saksham Sharma(9810326084)

TEACHER COORDINATOR:

Mr Mukesh Yadav , Mr Vishal Yadav(7827011851), Mr Dinesh Yadav

“A new command for the digital age: control your vision, alternate perspectives, and design the future.”

Get your cursors ready and your creativity fired up — it's time to turn wireframes into wow-factors!

Welcome to CTRL+ALT+DESIGN where we code, compete, and maybe even crash a few browsers in the name of design!

Eligibility:

Junior Category - Class VII - IX

Senior Category - Class X - XII

Participation: Team of two students

Theme: To be released on 31st October, 2025

Guidelines :

- Website can be created using only the following : HTML, CSS, JavaScript, jQuery
- No Libraries can be used except Bootstrap/Tailwind.
- Link for uploading will be shared.

Criteria for judgement:

Relevance to the theme, Creativity, Originality ,
UI /UX , Responsive

CTRL+ALT+DESIGN

STUDENT COORDINATOR:

Ashmeet Singh (9971179443), Rishit Singh (9310510775),
Aditya Karma (84486 50080), Reyansh Pahuja (7291912344)

TEACHER COORDINATOR:

Ms Priti Chugh (9839746181)

“Ideas spark the mind, but action shapes the world—dare to create”

“Empower yourself to be self-made, challenge the norms, and leave a lasting mark on the world with ideas that matter.”

Eligibility: Class IX - XII

Participation: Individual or Team of two

Theme: Choose any one of following:

- Innovation in Education (apps, tools, learning aids)
- Social Impact (Environment, health, community service)
- Business & Start-ups (products, services, e-commerce)
- Technology (AI, coding, digital solutions)
- Sustainability & Green Ideas

Guidelines:

- Idea Proposal (Max:5 slides i.e. Problem Statement, Proposed Solution , Benefits & Uniqueness, Revenue Model and Future Scope)
- Top 5–10 teams will be shortlisted for the final pitch that will be held online.

Criteria for judgment:

Creativity & Innovation, Impact, Feasibility & Practicality, Clarity of Presentation and Confidence.

FUTUREREPRENEURS

STUDENT CO-ORDINATOR:
